Hi Susan,

I found your group as I was putting together a website for our vacation home in Tokeland, Washington. In searching for local photos - I saw that your group was at the Tokeland Hotel in 2014. I'm sure Katherine took care of you well. :)

I'm writing for a couple reasons. 1) We love our pups and your group looks awesome!! 2) We operate a resort on Sequim bay called Sunset Marine Resort. If the K9 Scooters are ever looking for another beach bounding getaway that is also in close proximity to 26 miles of undeveloped state park trails - we'd love to have you come check out our location. We're on the east side of the bay, waterfront, 8 cabins of various sizes - and ALL pet friendly. We can't imagine ever going anywhere without ours!! Our website is [sunsetmarineresort.com](http://sunsetmarineresort.com).  
Phone: 360-591-4303

And although the whole group wouldn't fit in the Tokeland Rental - if there is ever a smaller group looking for some beach time - our house there sleeps up to 7. It's 2 doors down from the hotel. :)

Regarding the number of pups/cabin - we are absolutely flexible. Believe it or not - we've even had folks bring their cat and a bunny. We are all about including the furry members of the family here!

We have a fairly active community with regard to dog agility and other training opportunities with events happening during the year. <http://www.hrkc.org/>  
<http://dogstaragility.net/index.html>

Please don't hesitate to get in touch with any questions - and if anyone is interested in the house in Tokeland when you are there for the Westport event - let us know. You can find more photos and info at <https://www.vrbo.com/786035>

Cheers~

Tracie and Lavon  
Sunset Marine Resort

Good of the Order

Meeting adjourned at 1:40pm
