

K9 Scooters NW Meeting Minutes September 21, 2013

Noon at Sue's House

Attendees: Ingrid, Sue, Karen, Donna, Kelly, and Tara

Treasurer's Report: The club has \$143.20

The minutes from the 7/27/13 meeting were approved as read.

Discussed patches. Kelly obtained some costs, but they are pretty high unless we order over 50 and the club does not have funds for this. We would like to order 15 or so with the club logo. Tara said she would check with some other vendors on pricing.

Discussed Trail Dog testing requirements for the Advanced title. Sue will write this up. Includes items such as discussion topics for "Drivers Meeting", lining out long enough to get started, walking under control for a time equivalent to crossing a street, head-on passing, gee/haw, gee/haw-over and crossing a field with not apparent trail.

Discussed suggestions for the upcoming Trail Dog Olympics to take place May 10-11, 2014 at Camp K.

Discussed our new seasonal pointing system that will include points for participating in fun runs/events as well as racing. There will be up to 5 points that can be earned at each fun run. To earn points, the participants must be club members and pay \$5 per fun run/event donations in order to raise money for prizes/awards. The \$5 earns one point at the fun run and the sponsor of the fun run will set the rules for the other 4 points that may be earned.

The following fun runs are planned and sponsored by the members listed:

October 5 – Fun Run (The Birthday Run) on the Snoqualmie Valley Trail at the Carnation Trailhead on Entwhistle St. – Ingrid, Donna and Joanne

November 30 – Dogs Across America – Rattlesnake Lake – we will ask Larry if he will sponsor this one.

December 14 – Fun Run at Gasworks Park - Sue

January 11th – Fun Run on the Cedar River Trail at Landsburg - Donna
